

## Campground "C" with Byron James

Campground "C" (Campground Country-Rock) is the brainchild of Byron James. Showcasing local talent along with James' unique style of DJing has seen tremendous success and growth in western Canada and most recently garnishing national attention. James' has been perfecting an "Echo" at Campground "C" and the future will have him bringing both to an international audience.

Since the inception of Campground "C", over 50 local artists / bands from British Columbia and Alberta, Canada have been showcased. The Best of Campground "C" with Byron James 2005 is the first in a series of Compilation CD's that will be released on an annual basis.

"This Ain't Your Mama's Country...

It's New Country That Rocks!"
